

AMY LOUISE MAKEUP ARTISTRY & BEAUTY

Bridal Booking Terms & Conditions

Bridal Booking Confirmation:

All Bridal Bookings are subject to availability - your booking will be confirmed with Amy for your exact date & time when the invoice is sent to you. Your Bridal Booking will not be secure until a 50% deposit is paid by BACCS or PAYPAL - previous to the deposit being paid your requested date or time could be taken by another bride so please ensure your deposit is paid on the closest day that your invoice is sent to you. Once you are booked in for the requested date this can not be changed unless agreed with Amy - changing your date may result in your deposit being lost and a new deposit required.

Payment Terms:

In order to secure your Bridal Booking a NON REFUNDABLE 50% deposit is required to be paid either by BACCS or PAYPAL, this will be deducted from the remaining balance which will be due FOUR WEEKS before your wedding date. Failure to make payment will result in the cancellation of your booking and the date being made available to other potential bookings. If booking a minimum of 4 weeks before your wedding a FULL PAYMENT will be required. Any additional members added to the booking will require a 50% deposit each.

Travel Expenses:

All Bridal Bookings will be charged at 0.50p per mile in total to and from the venue. Journeys over 1 hour 30 minutes will be charged £10 on top of mileage per 30 minutes. Bridal Bookings that are over 2 hours in travel will require an overnight stay charged to the booking. Any congestion or parking expenses will also be charged to the booking. All travel expenses will be confirmed with you upon securing your booking and will be included on your invoice.

Cancellations:

Cancellation by myself will result in 100% of any monies paid refunded - in the unlikely event that I am unable to complete your Bridal Booking I will help to find a recommended make up artist, they will receive a full product list from your trial. If you decide to cancel your Bridal Booking any monies paid will NOT be refunded - if the booking is cancelled within FOUR WEEKS of the date the FULL balance will still be required. If you need to make an amendment to the booking for example adding extras please let Amy know as soon as possible - any members cancelled 4 weeks before the wedding date will be required to pay the full amount in the final payment.

Bridal Consultations/Trials:

All Bridal Consultations/Trials will be at my home studio - any consultations/trials outside the salon will be charged 0.50p per mile to and from the venue unless stated otherwise.. Bridal Consultations/Trials are included in the price if you have chosen a package therefore they are not chargeable on the day of your consultation/trial - if you have chosen to add a trial on after the deposit has been paid they will be chargeable on the day of your consultation/trial at £50 each. If you cancel your Bridal Consultation/Trial within 48 hours or choose to have an additional consultation it will be chargeable at £50. It is recommended that you have your trial 3-6 months before your wedding date to ensure you are happy.

Responsibilities:

All bookings will be confirmed via email in which Terms & Conditions, Bridal Trial Booking Info & a Bridal Skincare Routine will be sent as well as the confirmation of all the details you have provided.

If any details you have given need to be changed such as the time please let Amy know ASAP - if the request is given too close to your wedding date it may not be possible to change.

Please ensure when Amy arrives at the time agreed that you are ready to start the makeup - if you are not ready it may result in you being ready later than the time you are getting married. It is recommended that you aim for your whole bridal party to be ready an hour before you are due to get married - this will give you all time to get your dresses on and have photographs. Please note that with all Bridal Bookings they are from the time of Amy's arrival till the time you are getting married - any additional members added may result in the arrival time being changed.
